The Assessment Only Route

You are given access to the Assessment Portal to upload all of compliance documents confirming your eligibility.

You will receive details of your Pathway Tutor and guidance on how to prepare for the meeting and you will arrange your visit.

When your Pathway Tutor agrees that all of your evidence is complete, a 'final sign off' alert is sent to the team to start the next stage of the process.

The QTS assessment consists of questions about your evidence and the Teacher's Standards. Your assessor really wants to understand your experience and encourage you to do well.

Speak with our enrolment team to confirm your eligibility and school support or click the 'Apply Now' button here and submit your school support form

All of your uploaded documents must be verified by the Admissions team to ensure that all aspects of eligibility are fully met.

The Route's end date is set so you know how long you have to complete. You continue to upload evidence and your Pathway Tutor makes suggestions for strengthening the uploads.

Your compliance documents and evidence are scrutinised a final time and a financial check occurs to ensure that fees are paid. Then an assessor is assigned and you will receive an email from the independent assessor
